

## [Hamilton School District](#) [1]

Submitted by Editor on Sun, 06/12/2016 - 14:48

### **Region:**

- [SE](#) [2]

This is where the spreadsheet would go if there was one.

The information on this district page comes from a variety of publicly available information sources. We thank all who have contributed information towards the development of this page. Additional information is always appreciated. Send information to [researchteam@teachinginwisconsin.com](mailto:researchteam@teachinginwisconsin.com) [3].

Accuracy of Information: Every attempt was made to ensure that the information on this District page was accurate at the time of publishing. If a district has made changes to employment policies, practices, compensation or benefits, we would appreciate an email letting us know of the changes so that we can update the information for the district as soon as possible. Send updated or new information to [researchteam@teachinginwisconsin.com](mailto:researchteam@teachinginwisconsin.com) [3].

Thanks from the Teaching in Wisconsin Research Team.

### **Survey Highlights:**

- This district has no system for career salary advancement for its professional educators and we are unaware of any immediate plans to establish one. Educators in this school district have no way of knowing what salary increases, if any, they will receive in future years.
- This district has a track record of occasionally pursuing the non-renewal of teachers' contracts, based on performance, with little prior warning and no chance for the teacher to improve.

What You Will Earn in Your Career in this School District

1. This district has a written system for career salary advancement that is objective, predictable, and attainable by all teachers. No
