

## [Hartford Elementary \(Joint 1\) School District \[1\]](#)

Submitted by Editor on Sun, 06/12/2016 - 14:07

### **Region:**

- [SE](#) [2]

This is where the spreadsheet would go if there was one.

The information on this district page comes from a variety of publicly available information sources. We thank all who have contributed information towards the development of this page. Additional information is always appreciated. Send information to [researchteam@teachinginwisconsin.com](mailto:researchteam@teachinginwisconsin.com) [3].

Accuracy of Information: Every attempt was made to ensure that the information on this District page was accurate at the time of publishing. If a district has made changes to employment policies, practices, compensation or benefits, we would appreciate an email letting us know of the changes so that we can update the information for the district as soon as possible. Send updated or new information to [researchteam@teachinginwisconsin.com](mailto:researchteam@teachinginwisconsin.com) [3].

Thanks from the Teaching in Wisconsin Research Team.

### **Survey Highlights:**

- This district has implemented a visible system for career salary advancement in which its professional educators can see what salary they will earn in future years. Salary increases in the Hartford Joint 1 School District are based on objective factors such as increased experience.
- This district has insisted that teachers work more hours/days in order to receive both inflationary cost of living increases and career salary increases.
- This district's handbook includes a fair process and timeline for teachers who are struggling, so that they have an opportunity to improve before final employment decisions are made.
